AND THE WINNERS ARE...

HIGH SPIRITS AWARDS was launched in 2023 by L.A. Spirits Awards to identify and reward excellence among the growing number of cannabis- and hemp-derived beverages available to consumers.

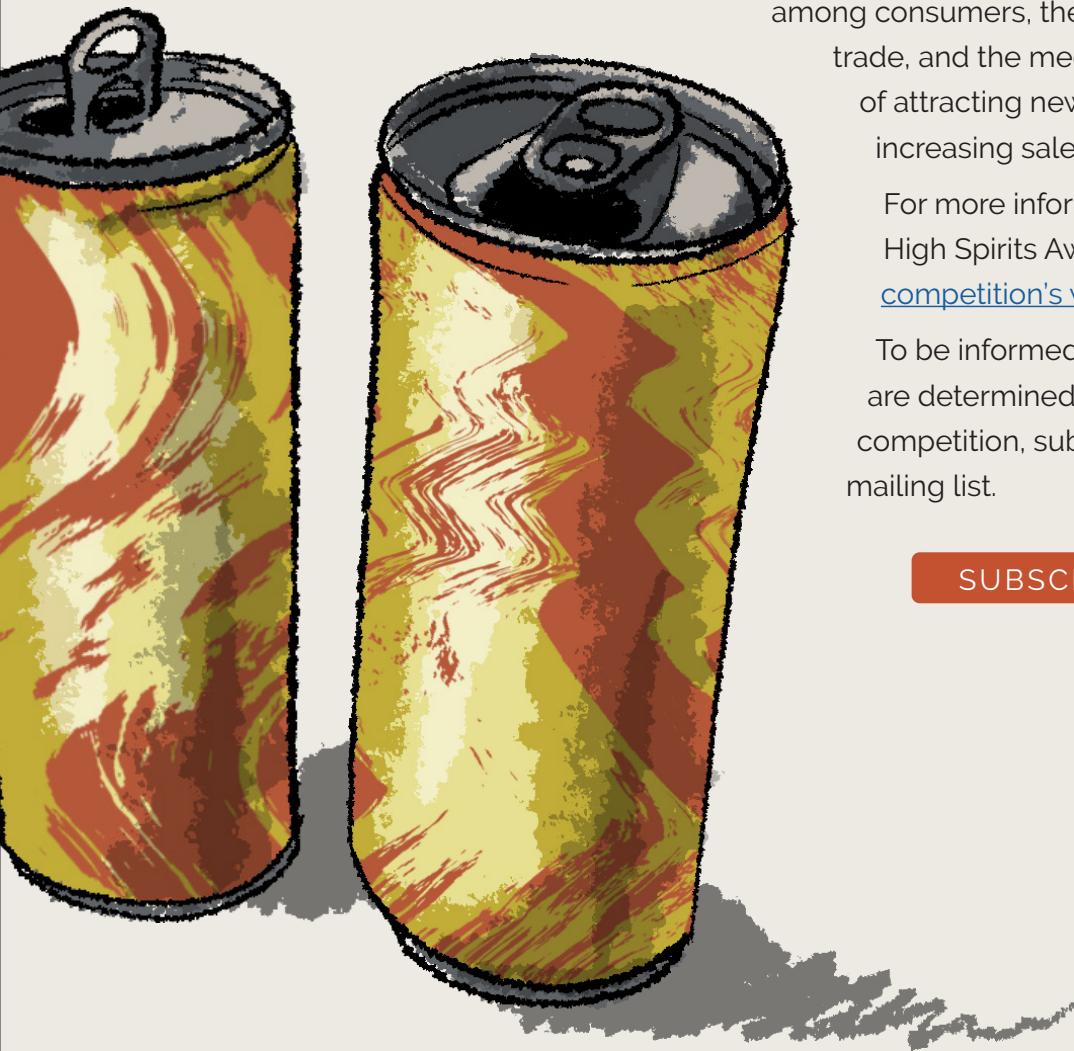

Our 2025 competition was open to all cannabis-infused products legally sold in California and all hemp-derived (CBD/alternative cannabinoid) beverages from anywhere in the U.S.

The competition provides a unique and exciting way for award-worthy infused-beverage brands to raise their visibility among consumers, the beverage trade, and the media with the goal of attracting new customers and increasing sales.

For more information about High Spirits Awards, [visit the competition's website](#).
